As a business dedicated to community service, Kimak Pest Management is committed to fostering educational opportunities for youth. A demonstration of this support is Kimak's selection of the Independence School District Foundation as the recipient of the **Kimak Pest Management Scholarship Fund** benefiting high school seniors of the Independence School District. The 2010 scholarship will award two (2) \$1000.00 scholarships. The 2010 scholarship recipients will receive tickets to the Mavericks' last home game this season, where they will be acknowledged for their scholarship achievements.

Applicants must be graduating from The Independence Academy, Truman High School, William Chrisman High School, or Van Horn High School.

To receive application information about the **Kimak Pest Management Scholarship Fund** contact the Independence School District Foundation at 816.521.5300.
